\* Although every attempt has been made to replicate the colour supplied, the colour sample in this document is for demonstration purposes. Refer to an Aquamate Sample for accurate colour matching.

† Equivalent colour names listed are trademarks of BlueScope Steel Limited and used only for comparison. The use of colour names in any Aquamate document indicates no more than the colour of the product supplied or a colour equivalency.

Colours supplied are a closest match. In some cases the finish of the tank will have some slight variation based on the differences in the production process.
